Offg: Secretary to the Government
General and Revenue Departments,

Sir,

With reference to para 3 of Government order No. 6142-6 / Rec'd 228-08-6 of the 24 January 1910 requesting me to place at the disposal of the Public Works Department the amount of contribution payable by the Koppa Municipality for constructing quarters for the Hospital Assistant and midwife at Koppa, I have the honor to forward herewith a copy of the Kadur

Division

Division Executive Engineer's letter

No. 79 of the 11th December 09 to the

Chief Engineer in reporce in which

the Executive Engineer has pointed on

the undesirability and the injustice

of recovering $\frac{1}{3}$ of the cost from the

Municipal Funds as the entire rent

is to be credited to the Provincial

Funds. Considering that the quarters

of Officials of all other departments

have been Constructed from Provincial

Funds I would request that the Cost

of the Hospital assistant and —

Midwife's quarters also may be met

from Provincial Funds as suggested

by the Executive Engineer. If,

however, the Government desire

that

that the Municipality (3) must con-
-tribute a third of the cost, then
1/3 of the rent may be ordered to
be credited to the Municipality

I have the honor to be,
Sir
Your most obedient Servant

3. The President, District and Municipal Boards in returning the above estimate (Estimate for constructing Quarters for the Hospital Assistant at Koppa) countersigned, informs that the Municipality is willing to pay $\frac{1}{3}$ of the estimate cost and that the remaining $\frac{2}{3}$ may be met from Provincial Funds as the District Fund Board is too poor to pay its quota in its present State of finances. The building,

building, no doubt is intended to be used as quarters for the Hospital Assistant but there appears no justification in claiming 2/3 of its cost from the District and Municipal Funds, as the rent recoverable from the tenant will have to be credited to Provincial Revenue, as in the case of other buildings which have been constructed from the State Funds. This is being done so in the case of Hospital Assistants quarters at Sollebyle. The proposed building will be built quite outside the Dispensary Compound. Estimate for quarters for the mid wife at Koppa will be dealt with Separately.
